

DILEEP KUMAR

Junior Java Full Stack Developer

dileepmotives@gmail.com | +91 7416613660 | Bengaluru, BTM Layout | [Linkedin](#) | [Github](#) | [PortFolio](#)

SUMMARY

B.Tech graduate in Artificial Intelligence and Data Science with hands-on training and project experience in Java Full Stack Development. Skilled in Java, Spring Boot, REST APIs, SQL, MySQL, React.js, and JWT-based authentication. Experienced in developing and testing REST APIs, JSON-based data handling, database integration, debugging application issues, and building full-stack applications using clean coding practices.

PROFESSIONAL TRAINING

Professional Training — KodNest Technologies

Jul 2025 – May 2026

- Completed hands-on training in Java Full Stack Development, covering Core Java, OOP, Collections, SQL, Spring Boot, and REST APIs.
- Developed backend applications with database integration, REST API testing, debugging, and problem-solving.
- Applied OOP principles and clean coding practices through hands-on projects.

PROJECTS

Job Portal Application (Ongoing)

Jan 2026– Present

- Developing a full-stack Job Portal using Java, Spring Boot, React.js, MySQL, and JWT authentication.
- Developed and tested REST APIs for job listings, applications, and recruiter management using JSON and Postman.
- Implemented role-based authentication for Job Seekers, Recruiters, and Admins while applying Java OOP and clean coding practices.

Traffic-Flow Predictor: Predicting Traffic Volume and Patterns

Feb 2025 – May 2025

- Built a Flask-based web application for traffic volume prediction and location visualization.
- Optimized the ML model size from ~308 MB, improving application efficiency and deployment readiness.
- Integrated prediction functionality with a web interface for user-friendly traffic analysis.

EDUCATION

Btech

Nov 2021 – Jun 2025

Annamacharya Institute Of Technology And Sciences, Rajampet

- Major in Artificial Intelligence And Data Science
- Final CGPA: 8.0 / 10

KEY SKILLS

- | | | |
|---------------------------------------|---------------------------------------|--|
| • Java, Python, SQL | • Spring Boot, REST APIs, JSON, Flask | • MySQL, SQL, DBMS |
| • OOP, Collections Framework | • HTML, CSS, JavaScript, React.js | • Postman, Git, GitHub, IntelliJ IDEA, MySQL Workbench |
| • Exception Handling, Multi Threading | | |

LANGUAGES

- English, Telugu, Hindi

ACHIEVEMENTS

- Showcased strong technical and communication skills through content creation on @ddktalks
